

Dear Fellow Bank Executive,

We are an Endorsed Partner of the Western Bankers Association, as well as a 25-year-old SOC 2 Managed IT, Security and Compliance Provider for Community Banks nationwide. We provide monthly support to 40+ Community Banks representing 4500+ devices under management.

We are uniquely positioned to help you with your IT and security needs by providing a proactive strategic approach that reduces risk and aligns IT with your business objectives. In this way, we reduce costs while increasing performance and security, allowing Community Bank Executives and their teams to focus on growing their bank.

1. **Please feel free to review the documents on this page.** These will give you a little more information about our company's services, the clients we serve, and what makes us different from the majority of Managed Service Providers or IT companies you may have encountered in the past.
2. **View our client comments and testimonies in the booklet entitled "Client Success Stories."** This will give you a feel for what we do and the types of clients we serve. If you would like to speak directly to any of our clients as a reference, please let me know so I can arrange this for you.

If you have any questions, please call me at 720.543.2240.

Dedicated to serving you,

Mike McWilliams
